Symbol table output:

Total run values: 802 00:00:19.56 00:01:03.30

Using a working set limited to 1650 pages and 897 pages of data storage (excluding image)

Total number object records read (both passes): 4849

of which 2417 were in libraries and 657 were DEBUG data records containing 39855 bytes

Number of modules extracted explicitly = 2  
with 144 extracted to resolve undefined symbols

107 library searches were for symbols not in the library searched

A total of 0 global symbol table records was written
